Agenda 4: To consider and approve the appropriation of legal reserve and the dividend payment from the operating results of 2022.

Facts and Rationale: The Company has a net profit for the year ended 31 December 2022 according to the separate financial statements in the amount of Baht 44.40 million and there is no accumulated loss. The Company can therefore consider paying dividends to shareholders in accordance with Section 115 of the Public Limited Companies Act B.E. 2535.

According to Section 116 of the Public Limited Companies Act B.E. 2535 and Articles 45 and 46 of the Company's Articles of Association, the Company must allocate part of the annual net profit as a reserve fund of not less than 5% of the annual net profit deducted by the accumulated loss brought forward (if any) until the reserve fund is not less than 10% of the registered capital of the Company by considering the Company's separate financial statements. At present, the Company has complete reserves as specified in the laws and regulations of the Company. Therefore, the Company is not required to allocate such net profit as Legal reserves and according to the regulations of the Company further.

The Company has the policy to pay dividends of not less than 50% of the net profit from the separate financial statements of each accounting period after the deduction of corporate income tax and all types of reserves as required by law. Such dividend payment must not violate the Public Company Limited Act. However, such dividend payment depends on cash flow, and investment plans in the Company's projects, including the necessity and other suitability in the future as well.

The Board of Directors' opinion: The legal reserve of the Company has fully been set aside up to 10% of the registered capital since the year 2016, there is no need to provide any additional reserve. Approved to propose the Annual General Meeting to approve dividend payment from the operating

results of the fiscal year 2022 at the rate of Bath 0.07 per share or amounting to Baht 42,000,000 to the shareholders. According to the dividend policy, the Company pays dividends at not less than 50% of the Company's net profit. The Company sets the record date on 11 May 2023 and the schedule of the payment date on 25 May 2023 (the dividend payment must be approved by the 2023 Annual General Meeting).

Separate Financial Statements	2022 (Proposed)	2021
Annual dividend (Baht per share)	0.07	0.05
Dividend payout ratio (%)	94.59	80.53

Resolution: Approved by the majority of votes of the shareholders present and casting their votes.

Agenda 5: To consider the appointment directors who retired by rotation.

Facts and Rationale: Pursuant to Section 71 of the Public Limited Company Act B.E. 2535 and Article 17 of the Company's Articles of Association, in the Annual General Meeting of Shareholders, One-third of the directors shall retire from the office at that time. If the number of directors who will retire from office cannot be divided by 1 in 3, then use the number close to 1 in 3. There are 3 directors who will be retired by rotation this year as follows:

As well as considering the qualifications of

a director/independent director as specified by law, regulations of regulatory authorities, the Company's Articles of Association, board charter, and good corporate governance policy. Including an opportunity for shareholders to nominate qualified persons for the position of director. This year, no shareholder nominated any person to the Company.

The Board of Directors' opinion: The Board of Directors (excluding interested directors) considered and agreed with the screening process of the Nomination, Remuneration and Corporate Governance Committee and resolved to propose to the Annual General Meeting to approve the appointment of 3 directors who will retire by rotation in 2023, namely:

By comparing the remuneration with those in the same industry and at similar levels as well as considering the duties and responsibilities of the directors. The Board of Directors, therefore, resolved to propose the Annual General Meeting for consideration and approval on the remuneration of directors and sub-committee for the year 2023 which consists of monthly remuneration, meeting allowance, and directors' bonus for the year 2022 performance without any other benefits, details are as follows.

Agenda 7: To appoint the auditors and affix audit fee for 2023.
